Hey, ba - by, I hear the blues a - call - in' tossed

sal - ads and scram - bled eggs, and may-be I

seem a bit con-fused; may - be, but I got you pegged.

But I don't know what to do with those tossed

sal - ads and scram - bled eggs. They're call - in' a -

gain.

They're call - in' a - gain.
